'Aspire Week' July 2019

Dear Parents and Carers,

Recent government proposals have suggested that career advice should be introduced for primary school aged children. In light of this, Waddington Redwood Primary Academy will be holding 'Aspire Week' in July 2019.

The aim of Aspire Week will be to provide an opportunity for the children to find out about some of the different jobs adults do, encouraging the children to think about their own future. A large element of the week will be for adults to visit the school and share their work experiences with the children as part of an assembly or smaller class based workshops.

Hopefully a wide variety of motivating jobs will be covered over the week but we do need your help! If you are able to participate or can recommend someone who has an interesting job, please complete the slip below. We would love to hear from a whole range of people and their jobs.

The slips will need to be completed and returned to the school office by 7th February 2019. If you have any questions regarding Aspire Week please don't hesitate to contact me. Thank you for your support.

Yours sincerely,

Mrs C. Waite (RE Coordinator)
