Fun Club

Dear Parents

Fun Club will be continuing next term for Year 2 children which will be run by Mr Andy Housam. Andy Housam is The Joy Foundation Project Manager, a Christian charity supported by many local churches. He works in around 20 primary schools, helping children with life skills, PE, RE and leading many assemblies. Andy has been a part of Redwood Primary School for over 5 years.

Fun Club is a mixture of activity, games, puzzles and challenges where the children will have a great time mixing together and learning about how the Bible helps us to live our lives.

The club will take place after school on Tuesday evenings, from 3.15 pm until 4pm. Children will need to be collected promptly from the Small Hall door. This term the club will take place on the following dates:-

January 15th, 22nd, 29th and February 5th and 12th 2019

All after school activities are run on a formal basis as a safety precaution. Consequently, I would be grateful if you could complete and return the attached form as appropriate.

Please note that if your child wishes to attend they should do so every week, and should bring a note if they are unable to attend for any reason. A register will be taken for all after school activities. We also expect your child to attend the full number of sessions, as it assists in our preparation for the club, and also ensures that they understand the commitment that they are undertaking.

Due to the organisation and preparation of the club, we can only cater for up to 20 children. However, if more children are interested we shall run the club on a termly basis and have a different group of children after half term.

If your child is successful in joining the club this term, then a letter will be issued to confirm the details at the end of the week.

Yours sincerely

S. Milling
