Aspire Week

Dear Parents,

During the 1<sup>st</sup> – 5<sup>th</sup> July, the school will be holding a cross curricular week called 'Aspire Week' which aims to provide the children with a deeper understanding of the jobs and careers that adults do. A large element of the week will be for adults to visit the school and share their work experiences with the children as part of an assembly or smaller class based workshops.

I wrote to parents back in January and had a limited level of response from parents. As the date draws closer, a wide range of occupations have been organised to be covered throughout the week but I am writing to enquire if any further parents are willing to volunteer their time to talk about their jobs. If you are able to help, or know someone who may be interested in talking to the children, please could you complete the form below. I appreciate it may be daunting to speak to the whole school, so I have included a section to help identify availability and whether you would prefer to speak in an assembly or class setting. Could those parents who previously responded please complete the form to help identify possible dates.

If you have any questions regarding Aspire Week please don't hesitate to contact me. Thank you for your support.  
Best wishes

Mrs Waite
