

In **English**, we will be writing recounts based on the historical event- The Great Fire of London.

This term in **Geography** we will be learning more about the capital city of England and using a variety of maps to locate important human and physical features.

In **Religious Education**, we will be learning about the Easter story.

In year 1, our theme this term in **PSHE** will be 'Careers, Financial Capability and Wellbeing'. We will be finding out about different types of jobs, where money comes from and the choices we make when it comes to spending money. In Year 2, our **PSHE** theme will continue to be 'Relationship and Sex Education'. We will be exploring how we grow and change.

In **Spanish**, we will be learning the names of different food and drink.

## KS1 Spring 2 Great and Ghastly Events

### Important Information:

Homework is set on a Friday via Teams and is to be handed in by Wednesday. It is essential that your child's **reading book** and **record** is in school **every day**. We ask that your child reads at least 5 times a week and class rewards are in place to encourage this.

Miss Hall's PE lessons are on a **Tuesday** and **Friday**.

Miss Pavier's PE lessons are on a **Tuesday** and **wednesday**.

Miss Daubney's PE lessons are on a **Monday** and **Tuesday**.

Please ensure that your child has the **appropriate P.E. clothing** for indoor and outdoor P.E. and these are in **school all week**.

*The KS1 Team*

This term in **Maths**, Year 1 will continue to explore numbers to 50. We will then move onto exploring length, height, weight and volume.

This term in **Maths**, Year 2 will continue to explore multiplication and division before looking at statistics and measuring length.

In **Physical Education**, we will be playing invasion games. We will develop the basic skills required in invasion games such as sending, receiving and dribbling a ball.

This term in **Science**, our focus is exploring light and sound. We will be thinking about different sources of light and sound. We will use stories in our

lessons to help us to

think about our investigations.

In **DT** we will be exploring moving mechanisms. We will create fire engine models that move!

In **Computing**, we will be focusing on programming. We will explore the Beebot robots and we will find out what happens when we give them commands to follow.

In **Music**, our focus is 'exploring sounds'. We will learn about different myths from different areas of the UK and create music based on these.
