

In **English**, we will be exploring the story 'Where the Poppies Now Grow'. We will focus on learning to retell the story and write our own narratives.

This term in **History**, we will be learning about British history, in particular focusing on WW1. We will focus on the symbol of the poppy and how we use it as a way to remember the war and conflict.

In **Religious Education**, we will be exploring Christianity.

In **PSHE**, we will explore ways we can be physically well and healthy. In particular, we will focus on the importance of a healthy diet, sleep and physical activity.

In **Spanish**, we will be learning basic words and simple phrases.

## KS1 Autumn 1 Let's Remember

Welcome back! We are so excited to start a new academic year. We have lots of exciting learning lined up this term.

### Important Information:

Homework is set on a Friday via Teams and is to be handed in by Wednesday. It is essential that your child's reading book and record is in school **every day**. We ask that your child reads at least 5 times a week and class rewards are in place to reward this.

Miss Hall's PE lessons are on a **Tuesday** and **Thursday**.  
Miss Pavier's PE lessons are on a **Tuesday** and **Wednesday**.

Miss Marrow's PE lessons are on a **Monday** and **Tuesday**.

Please label all items of clothing.

**KS1 Team**

This term in **Maths**, Year 1 will focus on securing number knowledge and solving addition and subtraction problems to 10.

This term in **Maths**, Year 2 will focus on recognising place value in numbers up to 100 as well as adding and subtracting 2 digit numbers.

In **Physical Education**, we will be focusing on joining in with teambuilding games and refining our ball skills.

This term in **Science**, we are exploring materials and their properties. We will be thinking about what different materials can be used for and how materials can be changed.

In **Art**, we will be creating poppy drawings in the style of the artist Georgia O'Keeffe.

In **Computing**, we will be exploring information technology around us. We will also learn how to use IT responsibly.

In **Music** we will focus on composition and performance.
