In **English**, we will be reading and writing:
- Quest stories
- Non-chronological reports

This term in **Geography**, we will be learning about North America. We will investigate similarities and differences through the study of human and physical geography.

In **Religious Education**, the children will develop their understanding of Islam.

In **PSHE**, we will build upon our knowledge of Mental Health & Emotional Wellbeing.

In **Spanish**, we will be learning how to read and write verbs and questions.

UKS2 Autumn 1
Curriculum Bulletin
Land of the Free

Welcome back! We are so excited to start a new academic year. We have lots of exciting learning lined up this term.

Important Information:

Homework is set on a Friday and is to be returned by Wednesday. It is essential that your child's reading book and record is in school **every day**. We ask that your child reads at least 5 times a week at home and logs on to Times Table Rock Stars on a regular basis to sustain fluency skills. Please talk to your child's class teacher if you would like a copy of their log on details for Teams or TTRS.

As always, if you need any further support, we are always happy to help.

UKS2 Team

This term in **Maths**, Year 5 will be learning about:
- Place Value to 1,000,000
- Addition & Subtraction

This term in **Maths**, Year 6 will be learning about:
- Place Value to 10,000,000
- Four Operations (+ - x ÷)

10,000,000s	1,000,000s	100,000s	10,000s	1000s	100s	10s	1
10 millions	millions	hundred thousands	ten thousands	thousands	hundreds	tens	ones
8	7	5	3	1	4	6	9

eighty seven million, five hundred thirty one thousand, four hundred sixty nine

In **Physical Education**, we will be developing our skills in handball & outdoor and adventurous games.
*Please ensure your child has their indoor **and** outdoor kit in school every Monday. This will stay in school all week and go home on a Friday.*

This term in **Science**, we have a chemistry focus: materials and their properties. We will learn about solubility and recovering dissolved substances as well as separating mixtures and examining irreversible changes.

We will develop our textiles skills in our **Art** lessons this term by designing our own weaved landscape.

In **Computing**, we will develop our knowledge of selection by creating quizzes.

In **Music** we will develop our skills in performance and composition through the unit 'Journeys'.
