

In **English**, we will be exploring war stories. We will also be learning a text all about World War 1. At the end of the term, we will write our own non-chronological reports all about Christmas!

This term in **Geography**, we will be learning about the world we live in. We will be exploring human and physical features of the UK and our local area.

In **Religious Education**, we will be learning all about Creation.

In **PSHE**, we will be focusing on how we can Keep Safe and Manage Risks. We will explore who can keep us safe and what dangers we might face indoors and outdoors. We will also think about what we can do in an emergency.

In **Spanish**, we will be learning the names of colours and animals.

KS1 Autumn 2

Let's Remember

We have lots of exciting learning lined up this term.

Important Information:

Homework is set on a Friday via Teams and is to be handed in by Wednesday. It is essential that your child's reading book and record is in school every day. We ask that your child reads at least 5 times a week and class rewards are in place to reward this.

Black and white storybooks are to be returned to school on the normal book changing day (Wednesday) inside the plastic folder.

Miss Hall's PE lessons are on a Tuesday and Thursday.

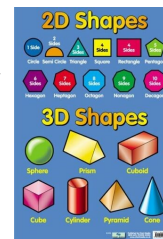

Miss Pavier's PE lessons are on a Tuesday and Wednesday.

Miss Marrow's PE lessons are on a Monday and Tuesday.

Please clearly label all items of clothing.

KS1 Team

This term in **Maths**, Year 1 and Year 2 will be focusing on addition and subtraction problem solving. We will also explore 2D and 3D shapes.

In **Physical Education**, we will be focusing on developing the skills of balancing, running, changing direction, jumping and hopping.

This term in **Science**, we are learning about seasonal changes. We will be exploring how the weather changes from

Autumn to Winter. We will also use equipment to measure the wind speed and amount of rainfall.

In **DT**, we will be exploring fruit and vegetables. We will think about why they are important to help keep us healthy. We will also design and make smoothies towards the end of the term!

In **Computing**, we will create digital paintings.

In **Music** we will continue to focus on composition and performance.
