

# UKS2 Spring 1 Curriculum Bulletin Extreme Earth

In **English**, we will be writing a variety of genres based on 'Voices in the Park'.

We are reading the book 'The Midnight Fox' by Betsy Byers.

This term in **History**, we will be learning about the events surrounding the sinking of the Titanic

and why this was significant. Children will look at primary and secondary sources, thinking about their reliability.

In **Religious Education**, the children will develop their understanding of Hinduism.

In **PSHE**, Year 5 will explore physical health and wellbeing. Year 6 will be learning about relationship and sex education.

In **Spanish**, we will be learning vocabulary for rooms of their house and school, as well as furniture and objects.

**WADDINGTON  
REDWOOD  
A PRIORY ACADEMY**

## Important Information:

Homework is set on a Friday and is to be handed in by Wednesday.

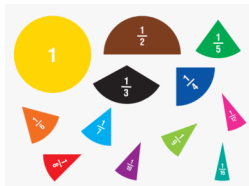

It is essential that your child's reading book and record is in school **every day**. We ask that your child reads at least 5 times a week and logs on to Times Table Rock Stars on a regular basis to sustain fluency. Please talk to your child's class teacher if you would like a copy of their log on details for Teams or TTRS.

Please could you ensure your child's PE kit is in school every day. As always, if you need any further support, we are always happy to help.

*UKS2 Team*

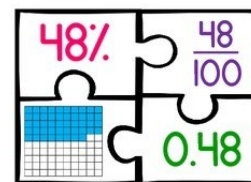

This term in **Maths**, Year 5 will be learning about:

- Multiplication and division
- Fractions

This term in **Maths**, Year 6 will be learning about:

- Geometry—position and direction.
- Decimals
- Percentages
- Algebra

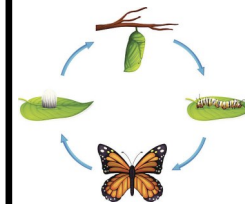

In **Physical Education**, we will be developing our skills in dodgeball.

Year 5 will be swimming, Year 5/6 will be learning about cricket and Year 6 will be doing gymnastics.

*Please ensure your child has their indoor and outdoor kit in school every Monday.*

This term in **Science**, we will be continuing to look at our biology unit, exploring the life cycles and reproduction of different plants and animals.

Later in the term we will start our physics unit, learning about forces.

We will develop our sketching and painting techniques in **Art**, taking inspiration from Japan.

In **Computing**, we will learn how to create and print 3D models using **TINKERCAD**.

In **Music** we will be composing and performing music for film and video.
