

UKS2 Summer 1 Curriculum Bulletin Driving Forces

In **English**, we will be revising grammatical skills that we can use to improve our writing. We will be applying these skills in short burst writing and a variety of different genres over the term.

This term in **History**, we will be learning about the ancient Kingdom of Benin. We will look at where it was located and what society was like during the time. We will learn what happened to the kingdom and how and why it ended. We will be interpreting and interrogating different evidence.

In **Religious Education**, the children will be looking at how religions use the arts to express their beliefs.

In **PSHE**, Year 5 will explore how to keep safe and manage risks. Year 6 will be continuing their relationship and sex education before looking at keeping safe and managing risks.

In **Spanish**, we will be learning about sports and leisure activities that they like and dislike and the times their activities start/ finish.

**WADDINGTON
REDWOOD
A PRIORY ACADEMY**

Important Information:

Year 5 homework is set on a Friday and is to be handed in by Wednesday. Year 6 homework is set Monday-Thursday with spellings set on a Friday.

It is essential that your child's reading book and record is in school **every day**. We ask that your child reads at least 5 times a week and logs on to Times Table Rock Stars on a regular basis to sustain fluency.

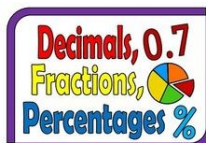

Please could you ensure your child's PE kit is in school every day.

As always, if you need any further support, we are always happy to help.

UKS2 Team

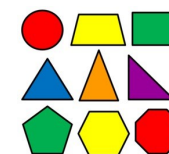

This term in **Maths**, Year 5 will be learning about:

- Decimals
- Percentages
- Properties of shapes

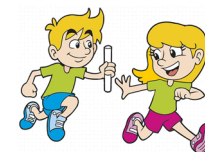

This term in **Maths**, Year 6 will be learning about:

- Imperial and metric units of measure
- Perimeter, area and volume
- Properties of shapes
- Statistics

In **Physical Education**, we will be developing our athletic skills. Miss Kirkby and Miss Belcher's class will be learning about cricket. Miss Daubney's class will be swimming.

Please ensure your child has their indoor and outdoor kit in school every Monday.

This term in **Science**, we will be learning about Space. We will explore how ideas about space have changed over time and different orbits, including the Earth's and the moon's. We will explore how the orbits give us day and night and different phases of the moon.

We will be looking at printing in our **Art** lessons, taking inspiration from African Art.

In **Computing**, we will be learning about spreadsheets. We will be organising and formatting data.

In **Music** we will be learning about Samba music.
